Economically designed for enterprise
wide deployment

Blackwire® 300 Series

High quality headsets ideal for large
unified communication deployments.

IDEAL FOR:

- IT-managed mass deployment opportunities where cost is a major factor
- Those new to PC telephony or managing other multi-media applications

Blackwire® 300 Series

Enter UC with the best-featured headset you never thought your budget could afford. Blackwire 300 Series USB headsets are a simple-to-use, comfortable, and durable choice for conference calls, Web-based training, and PC multimedia applications. Plus, they're priced right, easy to deploy, and offer a simple-to-upgrade UC solution that IT can roll out easily and rely on.

SIMPLICITY MEETS DURABLE DESIGN

- Two wearing styles available: hi-fi stereo (320/325) or monaural (310/315) design
 - Blackwire 310/320 are the base models featuring basic foam ear cushions.
 - The Blackwire 315/325 are the value models featuring leatherette ear cushions that fold flat for easy portability in the soft carrying case.
- Lightweight metal headband offers durability and a customisable, comfortable fit
- Intuitive inline controls to answer/end calls, control volume, and mute
- Smartly placed indicator lights and helpful audio alerts give user call, mute, and volume status

OUTSTANDING AUDIO QUALITY

- Wideband audio with noise-cancelling for high-quality PC telephony
- Dynamic EQ feature automatically adjusts audio for voice or multimedia use
- Noise-cancelling microphone filters out background sound
- Enhanced Digital Signal Processing (DSP) provides more natural voice sound
- SoundGuard® technology provides protection against audio spikes

RECOMMENDED ACCESSORIES*

- Hard carrying case provides a secure and convenient transportation option
- Leatherette ear cushions offer alternate comfort option
